Another year has just begun and we are excited! We have many new products on the way designed to help you become more efficient and offer your customers unparalleled quality.

But we have one small bit of bad news... this will be the last newsletter to feature the Mona Lisa.

By the time our next newsletter is mailed out, our new catalogue will have mailed, and we will have an exciting new cover which will replace the Mona Lisa.

That's right... a New Catalogue. This catalogue will contain all our updates, corrections, and of course our new products, like coloured Quickwood Epoxy.

If you have a few moments, we

would really appreciate it if you could drop us a line or send us an email confirming your current mailing address and the name of the person that should be receiving our new catalogue

Will you be attending the International Home and Housewares Show? If yes, please come see us in booth N7817.

The show takes place March 11-13, 2007 in Chicago. We look forward to seeing you there!
