

DFP NEWS

Your source for important information and specials in the Touch-Up Industry!

LEATHER CARE & REPAIR PRODUCTS

Due to high demand for our line of top quality leather care & repair products under our Trade Secret brand, we are expanding our line to better meet the demands of retailers and consumers alike.

Visit www.dfp.ca for a handy colour chart that will help you to order our leather touch up markers, which are now available individually. In addition any new items available for leather will be listed there.

Many more products for leather are also available, so if there are products your looking for but can't find, give us a call.

Spring is sprung and with that comes the traditional seasonal boost in the furniture industry. However, we at DFP haven't been sitting on our hands during the "off season". With the release of the wood tone Quikwood series (check out the special below), the upcoming Edge Stick series and High Heat Burn-In Sticks, we are responding to your needs with our usual focus on quality and performance.

Also, if you haven't yet received our new catalogue, call us now to get your free copy. As always, if you're reading this newsletter in black and white, you're not getting full bang for the buck. Provide us with your email

and see us as we were meant to be seen in DFP Colorama! Happy Spring!

NATIONAL HARDWARE SHOW®

Will you be attending the National Hardware Show? If yes, please come see us in booth S23559. The show take place March 8-10, 2007 in Orlando, Florida. We look forward to seeing you there!

SPECIAL OF THE MONTH

QUICKWOOD EPOXY REPAIR PUTTY

Can be used to repair, rebuild or restore anything made of wood. Easy to use and available in the most popular wood tones. Quickwood is a two part epoxy system . . . simply choose the colour or colours best suited to your job, cut of the amount to be used and knead until uniform color is achieved. Apply to damaged area and smooth top surface. Can be drilled, sawed, carved, sanded, stained or painted. The ideal problem solver for the woodworker. Uniquely packaged in small cylindrical shaped tube. Perfect for on-site work. Mix colours to obtain different shades and tones.

Regular price:

\$10.95

SALE:

\$8.95^{ea}

Offer expires on June 30, 2007.

Prices in Canadian Dollars.
