Summer has arrived with a bang and not only are temperatures rising, but so are the number of products in our top quality touch-up offering.

First off, this month's special on all our Trade Secret® Leather Care Products is a great way to take advantage of our premier leather care and touch-up line. Whether our handy Leather Care System, the Ink Away, the Scratch Away, Touch-Up Markers for Leather, Leather Glue, Leather Filler, as well as many others, it's your choice.

Another new addition to the DFP line is an item we recently discovered at the National Hardware Show in Orlando is The Original Can Gun.

This is the ultimate easy-to-use aerosol tool in reducing finger fatigue, while keeping

your fingers and hands clean. It is guaranteed to last a lifetime and is made out of 100% recycled plastic.

Order yours today for the low price of \$2.95 per unit. At this price, get one for everyone in your shop and help make their spraying tasks flow more smoothly...
