Product Updates

Discontinued:

The 20lb format of the Steel Wool has been discontinued (except the 4/0 grade). The hand pads and 5 lb rolls are all still available from the #4 to the 4/0.

These are the steel wool items that will no longer be available

Item	Format (Grade)
700032	2/0
700042	1/0
700052	1
700072	3

Important Note:

The Wood Stripping Gloves (Item # 641217) are to be used with solvents only. Keep away from water and humidity. Store in a zip-lock plastic bag to prolong glove life

One word... **SUCCESS!!!**

Our Touch-Up Seminars given this past October were a resounding success! But don't take our word for it, we surveyed our attendees to see what they had to say:

"It was a very interesting and informative course. I have learned a lot. Thank you," said one student. In fact, 100% of our attendees said that they would recommend this seminar to others. "This seminar was a very pleasant learning experience" said another student.

If you haven't taken one of our touch up seminars yet (which *really* are better than our competitors) don't delay, sign up for our courses in the spring and fall of next year. We'll see you there!

Come and see us at the TCHFM (Canada's third largest trade show) in Toronto, Ontario, booth #607, from January 12-15, 2008. As usual our sister company, Doverco, will be there with offers on all your packaging, warehousing, and moving needs.

Our offices will close on December 22, 2007 and will be reopening on January 2, 2008. Happy Holidays!

Give your employees the gift that keeps giving all year!
